Charges Filed On Garvin County Man for Possessing Almost 800 Images of Child Sexual Abuse

[Garvin County, July 25, 2023 -] Charges were filed on July 24th on Robert Lee Jackson for Aggravated Possession of Child Pornography and Violation of the Oklahoma Computer Crime Act. Mr. Lee was arraigned and bond was set at \$250,000. He remains in custody.

The Garvin County Sheriff's Office received a CYBERTIP from the National Center for Missing and Exploited children and thus began an investigation. Throughout the investigation, the Sheriff's Office was able to identify Robert Lee Jackson as the person possessing and sending videos of child sexual abuse.

"We want to thank the Garvin County Sheriff's Office for swiftly investigating the CYBERTIP that led to an arrest. This puts us one step closer to protecting children and standing firm in not allowing child abuse in our state," says District Attorney Greg Mashburn. "We will continue to prosecute this case and others like it to ensure that justice is sought and our communities are protected."

Mr. Jackson's next court date is a Preliminary Hearing Conference on August 18th.

The District 21 DA's Office serves Cleveland, Garvin, and McClain Counties under District Attorney Greg Mashburn.

DA Mashburn's mission is to seek justice, protect communities, and represent those who have been victims of crime.
